Team-Building Dog Training Camp

## All-inclusive water camp experience!

Hosted by Erica Etchason and Jenn Michaelis

Camp Westmont, PA

A dog sports camp for motivated pet owners and trainers, focusing on water skills and off-leash relationship-building experiences.

Our team will be selecting 20 dogs to join us for a unique experience where we work hard and play smart. Dogs and owners will have the opportunity to experience off-leash learning, fun, and decompression.

Beginner and Experienced water participants are welcome. Non-water activities include focus and recall training games, hiking, trick training, dog parkour and rally-frEe.
